Mr. Howland Wood
Numismatic Society -

Dear Sir -

Mr. William Beatty suggested that I might write you in regard to a visit I wish to pay to the Numismatic Society next week - I am interested in some early British coins which I saw in the British Museum last summer and Mr. Beatty tells me you have some -

Would it be convenient when we come up on Friday afternoon, December 10th, about three o'clock? I wish to bring my friend Mrs. Henry Coe Jr. and it will suit our engagements to come there if you can see us.

Faithfully yours

Henrietta C. Bartlett

Dear Madam:

In reply to your letter of December 4th,
we would be very glad to see you and to show you
what British coins we have, which, unfortunately,
are not many. The time you propose, Friday after-
noon at about 3 o'clock, will be entirely agreeable to
us.

Yours very truly,

Curator.

Dear Dr. Wood -

The plate of coins
which you were to have photographed
has not come and as I want
to use it next Tuesday (January
11th) I am writing to ask if
you could send it so that I
shall surely receive it then -

(Miss) Faithfully yours
